Twinkle Twinkle Little Star

Twinkle twinkle little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
When the blazing sun is gone
When he nothing shines upon
Then you show your little light
Twinkle twinkle all the night
Then the traveller in the dark
Thanks you for your tiny spark
Could he see which way to go
If you did not twinkle so?
In the dark blue sky you keep
While you through my curtains peep
And you never shut your eye
Till the sun is in the sky

Which finger did it bite?
This little finger on my right!
